This exploded view diagram illustrates the assembly of a 125cc engine. The main components shown are the cylinder head assembly (top), the crankcase (middle), and the crankshaft assembly (bottom). The diagram includes numerous fasteners and sub-assemblies, each labeled with a number from 1 to 27. Key components include the cylinder head, piston, connecting rod, crankshaft, and various bearings and seals. The diagram is set against a background with a large, stylized green 'X' and a large, stylized orange 'A'.
