A detailed illustration of a carburetor overhaul kit. The components are arranged in a grid-like fashion. On the left, there is a large, complex carburetor body with various ports and a float bowl. Below it is a smaller, rectangular component, possibly a gasket or a small plate. To the right of the main carburetor body, there are several smaller parts: a circular gasket, a small cylindrical pin, a small rectangular plate, a small circular gasket, a small cylindrical pin, a small rectangular plate, a small circular gasket, a small cylindrical pin, a small rectangular plate, a small circular gasket, a small cylindrical pin, and a small rectangular plate. The entire kit is presented in a clean, technical drawing style.
